

**OSHER REENTRY SCHOLARSHIP FUND  
SONOMA STATE UNIVERSITY**

**Scholarship Application Information for the 2009/2010 Academic Year  
Deadline to Apply is September 18, 2009**

The Osher Foundation in San Francisco has generously established a scholarship fund for re-entry students completing their first bachelor's degree with Sonoma State University. The funds are to be applied toward university tuition expenses for scholarship recipients. Funds may not be used for books, lab fees, childcare services or transportation costs. Applicants may be part- or full-time students, both newly matriculating and currently enrolled in a degree program including the Liberal Studies programs in Ukiah and Napa.

Selection is based on current standing in the program and on the potential for contribution to the workforce upon graduation. Financial need is considered in the selection process. Criteria for the scholarship include:

- Students must have been previously enrolled at a four-year institution and have experienced a gap in their education of five or more years
- Students must be at the undergraduate level and pursuing their first baccalaureate degree
- Students must be able to demonstrate financial need not necessarily based on the FASFA
- Students must be of high academic standing
- Students must anticipate workforce participation for a significant period of time subsequent to graduation

To apply for the scholarship, students are required to complete and submit the application form to the Osher Scholarship Committee:

Sonoma State University  
Scholarship Office  
1801 E. Cotati Avenue  
Rohnert Park, CA 94928
