Fall 2009 Registration

Use on-line registration during the April 27 – May 1 registration period.

Go to www.sonoma.edu/ar/registration/at_a_glance the week before to find your registration appointment.

- Once classes begin on Weds, August 26, **all** LIBS classes will be on-line registration throughout add/drop period.
- Remember to pay your fees on time or you could lose all your classes.
- If you do **not** show up **on time** for the 1st and 2nd classes you are registered for, you will be dropped from the class unless you call professor or office.

It is **VERY** important for you to register **at the time you are assigned** by Admissions & Records. This time is based on how many units you have completed. The closer you are to graduation, the earlier the registration time you receive. If you do not register then, you lose your advantage and many other students are registering for the courses you may have wanted. If you can't get on-line at your assigned time, have someone do it for you! If you have any questions about this registration appointment, contact A&R.

2009 Graduation Party

We invite graduates to join us in Carson Hall 68, on May 23th, following the 9:00am ceremony, to celebrate your accomplishment - Hutchins Liberal Studies Bachelor or Masters of Arts Degree.

There will be a sign up sheet in the Hutchins Office so we know how many cookies, strawberries and beverages to order.

A donation of \$5 would be appreciated.
