CHALLENGE EXAM for PATHOPHYSIOLOGY

A prerequisite to the Family Nurse Practitioner program at Sonoma State University requires completion of a college level physiology course within the past seven years. You may challenge this requirement by taking a National League for Nursing exam on Anatomy & Physiology. You will have successfully challenged the course if you score in the 60th percentile or better, compared against baccalaureate prepared nurses. A study guide is available to you at http://www.sonoma.edu/nursing/pdf/NLNExamStudyGuide.pdf
