Present the 2nd Annual

# Career and Internship EXPO

October 21, 2009  
5:00 to 7:00 PM  
SSU Cooperage

## 2nd Annual Career and Internship Expo

Each year approximately 1500 students study for the business or economics degree at Sonoma State University. Many of them come from Northern California counties where they may seek employment upon graduation. Others will interview locally but return to their communities to work at branches of state-wide or national companies.

The Career and Internship Expo, sponsored jointly by SSU School of Business and Economics and Santa Rosa Chamber of Commerce, is a prime venue for employers and internship sponsors to interact directly with these highly competitive students.

The Career and Internship Expo offers employers the opportunity to:

- Meet graduating seniors (December 2009 & May 2010)
- Recruit qualified juniors and seniors to fill internships
- Get an early look at freshmen and sophomores as they begin their career search

## Career and Internship Expo General Information

The Expo will be held in the Sonoma State University Cooperage.

Enter campus from the main entrance on East Cotati Ave. Parking permits will be available at the information kiosk.

Campus maps can be accessed at [www.sonoma.edu](http://www.sonoma.edu).
