Big Island Organics is an organic beverage company from Hawaii that has relocated to Sebastopol, CA.

We produce high quality, potent herbal beverages featuring Hawaiian grown ingredients. We always use 100% organic ingredients and always use healthy alternatives to cane sugar. Visit [www.bigislandorganics.net](http://www.bigislandorganics.net) for more information about our company and products.

We are seeking an assistant to help reach out to our current and potential customers.

Specific duties include: telemarketing to existing and potential customers, possibly in store sampling (if interested)

Are you good with people?

Are you professional, warm, & tactful?

We'd love to hear from you!
