Please Note:

SSU Student Health Center Hours are 8 am to 4:30 pm M-F excluding campus holidays & closures. **Extended Hours Clinic** until 5:30 Mondays when academic year classes are in session.
Summer hours, services & fees may vary.

Students should be prepared to seek off-campus services when medical needs fall outside the scope, staffing, or hours of SHC operation and once they are no longer a regularly enrolled at SSU.

Individuals are financially responsible for their off campus health care. It is usually more cost effective to seek non-emergency care at a clinic or urgent care center rather than a hospital emergency room.

Regularly enrolled SSU students are eligible to receive basic medical services at other CSU Student Health Centers.

This listing is for informational purposes only & is not an endorsement by SSU or its personnel.
