Welcome to Sonoma State University. As you begin to complete your reservation for Fall, there are two action items that you will want to complete beginning in March. Those two items include accepting your housing offer and choosing a housing community, and selecting a Freshman Learning Community (FLC). “My First Year” will help guide you through your options. Prior to exploring the chart below, we encourage you to visit the following website to learn more about the Housing Communities at www.sonoma.edu/housing and the Freshman Learning Communities at www.sonoma.edu/aa/flc.
