	.003	0.5

As a rule, full-time tenured professors are assumed to be advising students for roughly 20% their workload (20% = 3.0 units). Therefore, faculty teaching 12 units are considered full-time (100%).

Instructional Administrative Fraction (IAF) is primarily used for Faculty Chair assignments and since the fraction is 12th time-base already calculates the assumed course advising time into the Chair assignment. Campus Chair assigns is primarily 4.0 at .33, 6.0 at .50, and 8.0 at .67.
