

WASC Accreditation Review Steering Committee (ARSC)

AGENDA

Monday, April 18, 2005

6-8 pm

Terrace Room

1. Report on the WASC Annual Meeting (Ochoa, Bruce, Schlereth, Sundberg)
2. Design and format of the SSU Portfolio – web based portfolio to support the WASC accreditation effort (Bruce)
3. Discussion of themes for the institutional proposal

Outcome: The committee will brainstorm important issues and themes to begin the process of developing the major themes of the institutional proposal. These themes will be presented to the campus community at the Public Forum on Thursday, April 28, from noon-1 pm to receive feedback and additional comments and suggestions.

4. WASC Standards and CFRs

Outcome: The committee will engage in a first discussion of the standards and CFRs in preparation for more in depth consideration of the CFRs as they pertain to SSU.

5. Discussion of format of the public meeting and further communication with the campus community.

Outcome: Develop a clear format for the public meeting and discuss other ways of engaging the campus community in the development of the Institutional Proposal.
