Sonoma State University Response to Capacity and Preparatory Review Recommendations

| | CPR Recommendation | Campus Action - Progress |
|---|--|--|
| 1 | Address systematically the elements articulated in recent expressions of concern so that it can strengthen the sense of community and enable the accomplishment of other critical aspirations. | See Response to March 6, 2008 Senate Resolution . |
| 2 | Reach consensus on a clear definition of the University's complex mission so that planning efforts are informed by this understanding. | See Notes on SSU's Mission . |
| 3 | Yoke disparate planning efforts into a single, respected process. | See Educational Effectiveness Review Report Chapter on Planning Efforts. |
| 4 | Assure that educational outcomes directly drive appropriate assessments that yield information used in course and programmatic improvement. | See Educational Effectiveness Review Report Chapters on Academic Program Review and General Education. |
| 5 | In the context of a clear mission and coherent planning, reach agreement on the long-proposed general education reform with a timeline and demonstrable progress. | See Educational Effectiveness Review Report Chapter on General Education. |
| 6 | Extend its diversity efforts through pragmatic strategies to reach its goals. | See Educational Effectiveness Review Report Chapter on Diversity. |
