HOW TO OBTAIN AN ACADEMIC ADVISOR

- ☆ If you have a major, contact your major department office for referral to an advisor.
- ☆ If you are an undeclared major, contact Advising, Career and EOP Services, Salazar 1070, (707) 664-2427.
- ☆ Consult your academic advisor regularly.

GRADUATION

- ☆ Graduation is not automatic. We recommend filing your application one year in advance of graduation. This allows you to obtain an official evaluation from the Admissions and Records Office and to work with your advisor to resolve any problems before your final semester. The deadline to apply for graduation for each semester is published in the Catalog/Class Schedule.
- ☆ If you are denied graduation, you must reapply unless all deficiencies are made up during the same semester.

Various examination options (AP, CLEP, course challenge examinations, Credit by Examination) are available to meet some of the GE requirements. Contact the appropriate department or the Testing Office, Salazar 1070, (707) 664-2947.

Written English Proficiency Test (WEPT)

All graduates of CSU campuses are required to certify their writing competency before being awarded degrees. At SSU, this certification is achieved via a passing score on the Written English Proficiency Test (WEPT), which is offered several times per term in both hand-written and computer formats. The WEPT is a two-hour essay test. Topics are designed to be of general interest, and exams are scored on the basis of the quality of argument, development, organization, style, and sentence-correctness. Students should take the test during their junior years, and they can repeat the test as needed.

For more information about the test please call the Writing Center at (707) 664-4401 or go to:
<http://www.sonoma.edu/programs/writingcenter/weptbook.htm>
