Sonoma State University

Undergraduate Pathways to Careers in Teaching

Option I *The Accelerated Program*

These programs will allow incoming freshmen who commit to a rigorous and specified program of coursework and fieldwork to achieve both a bachelor's degree and a teaching credential in four years. Summer sessions are often included in the plan. Apply to an Integrated/Blended Bachelor's Degree and Teaching Credential Program at Sonoma State University. For additional information and application process contact program advisors (see reverse side).

For Future Elementary and Middle School Teachers

American Multicultural Studies (Integrated)*

*Chicano and Latino Studies (Integrated *)*

Hutchins School of Liberal Studies /Education Blended Program Track III

** Please note: Summer sessions may be necessary to complete integrated programs in the appropriate time frame.*

For Future Secondary (High School/Middle School) Teachers

Kinesiology

Math

Music

OR

Option II

Subject Matter Preparation Program

*The following subject matter preparation programs are academic majors for future teachers. You will not earn a credential upon completion of the program but you will receive subject matter preparation in the subject(s) you are interested in teaching. First apply to an undergraduate subject matter preparation program. **Then in your senior year, apply to a School of Education Teacher Credential preparation program.** Contact the program advisor for additional information (see reverse side).*

For Future Elementary Teachers

Chicano/Latino Studies (option for Social Science)

Environmental Studies and Planning

Hutchins School of Liberal Studies (Track II)

For Future Secondary (High School/Middle School) Teachers

Art, English, Kinesiology, Mathematics, Music, Social Science, Spanish*

****The English major at SSU is a state approved subject matter preparation program that may waive the English subject matter competency exam (CSET) for Single Subject. Candidates for the Single Subject teaching credential may not need to take the CSET if they complete the English subject matter preparation program. Check with appropriate advisor to verify exam and waiver information as it is subject to change.***
