2015-16 Selective Service Registration Verification Form

At the time your financial aid application was processed, the Selective Service System (SSS) could not verify that you are either registered or exempt. Most men who reside in the U. S. (legally or illegally) between ages 18 and 25 are required to register with SSS. At age 26, a man cannot register.

Who Is Exempt from Registration?
- Females, or people who were born female
- Men born before 1960
- Men currently in the armed forces and on active duty
- Men residing in the U. S. as a *lawful* nonimmigrant
- Noncitizens who first entered the U. S. after age 25
- Other unusual categories listed on the SSS web site at www.sss.gov

Men who are registered with SSS must provide proof of registration to the Financial Aid Office. If you do not have proof of your registration, contact SSS at www.sss.gov or call (847) 688-6888.

Men who are not exempt from registration and are under age 26 must register with SSS in order to receive federal and state financial aid. To register, contact SSS at www.sss.gov or call (847) 688-6888.

If you are a man who is age 26 or older and did not register with SSS, you must either document your exemption from the requirement or you must provide a written explanation of the reason(s) you did not register.
