2009-10 Housing Clarification Form

Your Financial Aid Award Offer was based on the housing plan of living on campus. However, you are not listed on the Housing Roster we received from SSU's Housing Office. If you believe this is an error, please contact the Housing Office at 707/664-2541.

Your financial aid funds for the 2009-10 Award Year will not disburse until we receive written notification from you of your new housing plans. Please use this **Housing Clarification Form** to inform us of your housing plans for the remainder of the academic year.

A change in housing plans may result in changes to your Award Offer. If this happens, we will send you a Modified Award Offer to explain the changes.

Your financial aid funds for the 2009-10 Award Year will not disburse until we have received this **Housing Clarification Form** back from you and we have made appropriate changes to your budget and your award.

If you have any questions, please contact us at 707/664-2389 or by email at **finaid@sonoma.edu**.
