At the time your Free Application for Federal Student Aid (FAFSA) was processed, the Selective Service System could not verify that you are either: 1) registered, or 2) exempt from registration. Students who are not exempt from registration must be registered with the Selective Service System in order to be eligible for federal and state financial aid. If you need to register or obtain documentation of your registration or exemption status, contact Selective Service at www.sss.gov or call (847) 688-6888.

Instructions: If you are female, complete Section A. If you are male, complete Section B1 or B2. Sign the certification at the bottom of this form, and return it to the Financial Aid Office with any required documentation.
