

ASSIGNMENT REQUEST

All efforts will be made to fulfill your requests on this form; however, we cannot make room assignment guarantees. Therefore, if your choices are not available, the next "best space" will be selected. Typically, this would be a residential suite double in a regular living environment. For descriptions of the living area options see the enclosed "Living Area" sheet. You can also visit our website at http://www.sonoma.edu/housing/lam_preferences.html for assistance with completing the Assignment Request.

Instructions:

1. Select **ONE Living Area Option** in the first column.
2. Based on the Living Area, rank the room types in the living area starting with "1" which would be the most preferred.
