

ASSIGNMENT REQUEST

All efforts will be made to fulfill your requests on this form; however, we cannot make room assignment guarantees. Therefore, if your choices are not available, the next "best space" will be selected. Typically, this would be a residential suite double in a regular living environment. For descriptions of the living area options see the enclosed "Living Area" sheet. You can also visit our website at http://www.sonoma.edu/housing/lam_preferences.html for assistance with completing the Assignment Request.

Instructions:

1. Select **ONE Living Area Option** in the first column.
2. Based on the Living Area, rank the room types in the living area starting with "1" which would be the most preferred.
3. If the Transfer House is full, you would be assigned to the next best space of a Beaujolais Single Occupancy bedroom in a Regular Living Area if that is available.
