- ➔ Another major goal is to encourage the development of a vibrant and effective Hutchins and SSU Alumni Association. If you have ideas, program or future projects to suggest for the Association please let us know so that we can add them to the program for discussion.
- ➔ If you would like to donate to the Hutchins Foundation, please let us know so we can list it in our commemorative program. Donation will be used to help students and Alumni attend the events, and for costs incurred during the planning and event coordination.
