

REFERRAL LIST FOR HISTORICAL RESOURCES CONSULTANTS

Amended April 2008

This list is composed of individuals who have requested to be included on the Referral List maintained by the Northwest Information Center (NWIC), and who have documented that they meet one or more of the professional categories identified in the Secretary of the Interior's Standards or who are certified by the Register of Professional Archaeologist (ROPA). Inclusion on this list is determined solely by a self-evaluation process. The list is alphabetically ordered under the professional groupings provided in the Secretary of the Interior's Standards with the addition of a ROPA section. This list has been prepared in accordance with guidelines stipulated by the State Office of Historic Preservation (OHP) as approved by the State Historic Resource Commission (SHRC). Inclusion on this list does not constitute endorsement by the Northwest Information Center, Sonoma State University, OHP, or SHRC.

The Northwest Information Center provides a copy of this list without charge when field inspection is recommended as a result of a records search or upon request as an email attachment or USPO mailing.

Questions regarding the Referral List may be directed to Leigh Jordan, Coordinator NWIC (707/664-0880); or Eric Allison, Coordinator of the California Historical Resources Information System, State Office of Historic Preservation (916/653-6624).
