Title: California State University use of Approved Waiver of Liability

This executive order is issued pursuant to authority of Chapter II.d of the Standing Orders of the Board of Trustees of the California State University. Through adoption of the following statement of policy, the California State University recognizes the use of waivers of liability as an integral instrument to promote safety and mitigate liability throughout the California State University system.

Executive Order 715 Risk Management Policy, includes policies and practices designed to minimize the adverse effects of losses experienced by the California State University. Executive Order 715 indicates that a campus risk management policy should include methods of controlling risks. One such method of controlling risk is the use of third party waivers.

Use of the Approved Waiver of Liability

To facilitate a uniform and consistent application of risk control on all campuses in the California State University System, a single waiver has been developed for use in all campus planned or sponsored events. Attached to this executive order is the release.
