

SSU Business Internship Dept,

Community Realty is a local real estate company. We are looking to find a motivated intern that is able to apply skills learned in marketing and management classes taken at Sonoma State University. An ideal intern would be available to **work 10-15 hours a week**. Ideal candidate will have some experience within the real estate industry. Interns must be self directed, possess good common sense and be adept at multi-tasking. High integrity and excellent people skills are essential. Computer skills are required and a “can do” attitude about learning new skills. Selected intern will be responsible for administrative, escrow management and marketing functions.

A reliable car is necessary. Hours can be flexible. **Spanish Speaking a Must!**
Ability to write in Spanish a Plus!!!
