## INTERNSHIP ANNOUNCEMENT

DISH DOG INSTALLATIONS is an official DirecTV retailer for the North Bay Area Region. We are a new company located in Rohnert Park. We sell and install DirecTV Satellite products and services.

We are in search of interns interested in helping us create a sales department as we introduce our company to Sonoma County and beyond.

This person needs to be able to deal with the public in a professional manner and not afraid to go door to door. This person needs to be well organized and diligent. You can set your own hours. Spanish Bilingual is a plus.

Compensation will come in the form of commission. The more you sell, the more you make and interns who show abilities to make sales regularly will be strongly considered for hire.

To apply, please send your resume or a brief letter explaining your qualifications to:
