Business Management Intern (Summer)

Take your career from 0-60 in one move with Hertz Local Edition by completing our Summer Business Management Internship Program!

Hertz Corporation is a worldwide car rental industry leader with Business/Sales Management Internship opportunities. Are you interested in a career managing a fast and exciting business? Hertz Local Edition is expanding in Northern California and has positions now in your area.

As a Business Management Intern, you will get hands on experience in all aspects of running a multi-dollar business! You'll assist in making decisions in many areas, including customer service, sales/marketing, revenue management, fleet distribution, human resource management, business administration and much more! This is not your typical classroom. See how you can apply what you learn in the classroom to "real world" business situations.

The internship program is a 10-12 weeks full-time, paid internship starting in May through September. Upon completion of the internship program you may also be offered a PT flexible work schedule throughout the year while completing your studies! We offer competitive pay with great monthly sales incentive potential!

Hertz emphasizes a fun, energetic fast paced team environment where no two days are ever the same. Candidates must be at least 20 years of age, possess a valid U.S. Driver's License with a satisfactory driving record. Applicants must be eligible to work in the U.S.
