The GMC University Affairs Committee

The GMC University Affairs Committee was created in 2011 with the express purpose of developing ways to integrate the GMC with the university, particularly in terms of academic programming and student life. Faculty are represented on the committee by the Chair of the Senate (or designee), and faculty representatives from each school. Initial calls for faculty service on the committee went out from the Structure and Functions Committee in October 2011. Additional calls have gone out as faculty members have stepped down. Currently, all schools except Education are represented on the committee. The committee is co-chaired by the Chair of the Senate (or designee), and the President of Associated Students (or designee). The GMC UAC is also represented on the GMC’s Board of Advisors, in that the Senate Chair (or designee) and the Associated Students President (or designee) attend the Board of Advisors meetings. In turn, the GMC Board of Advisors also sends members to the UAC.

Current Co-Chairs
Richard Senghas (Vice Chair, Academic Senate)
Mac Hart (President, Associated Students)

Current Members
Brian Wilson, (Faculty, Chair, Music department, School of Arts and Humanities)

Bonnie Cormier (University Affairs Office)
Susan Kashack, (Associate Vice President, University Affairs)
Marne Olson (GMC Board of Advisors Vice Chair)
Les Vadasz (GMC Board of Advisors member)

Purpose of the Committee: Integrate the GMC with the university committee

Tasks and Goals of the committee:
1) Propose initiatives that integrate the GMC with the university and that support the academic mission and student life.

2) Identify projects that engage students, faculty and staff with the venue; e.g., annual free concert, class projects, practice with the Santa Rosa Symphony, student jobs, rotating student and faculty art exhibition, campus forum about the GMC finances.

**2012-2015 GMC Expenditure Planning**: these are materials related to current budget expenditures and planning presented to the University Affairs Committee by CFO Schlereth at their September meeting.
