Practice Interview**

Following your practice interview, I would like you to reflect on your experience in a two to three page memo. Please address the categories listed below including specific information relevant to our project that you learned (e.g., what surprised you? what moved you?)

| <u>Grading Category:</u> | <u>Points:</u> |
|---|----------------|
| What have you learned from the person you interviewed | 6 |
| General observations of the interview process | 5 |
| Specific questions that worked and did no work | 5 |
| What would you do differently the next time you interview | 4 |
